## 2018/2019 Season Pass Policies

By applying for a season pass, I understand and agree that:

1. Membership passes are the property of Mt. Holiday. Members are paying for the privilege to use the membership pass. Passes may be revoked by Mt. Holiday at any time.
2. Membership passes are non-transferable, and there are NO refunds on membership passes.
3. If your pass is lost or stolen a fee of \$25.00 must be paid before you will be given a new pass. Forgotten passes are subject to \$2 day pass fee.
4. Parents are responsible for supervising their minor children.
5. Photographs may be taken of pass holders while participating in activities at Mt. Holiday. These photographs may be used for marketing and promotional materials. If you would prefer not to be included in these photographs, please see the guest services desk before the season begins.
6. Mt. Holiday will not offer any smoking areas for its users.
7. I agree not to hold Mt. Holiday, Inc. its employees, Ski Patrol, or volunteers liable for any injury, loss or damages resulting from the use of Mt. Holiday's property or equipment.
8. I have read and understood "Your Responsibility Code" and "Michigan Ski Area Safety Act" section 408.341.
9. Illegal or inappropriate activities, and any act that endangers the safety of the user or others - will not be tolerated, and action may be taken by Mt. Holiday including termination of membership (without refund), suspension of pass (without refund), and referral to law enforcement.
10. The purchaser or user of a membership pass agrees and understands that skiing and snowboarding can be hazardous. Trail conditions vary constantly because of weather changes and use. Ice, variations in terrain, moguls, forest growth, rocks/debris, lift towers, other obstacles and hazards, including other users, may exist throughout the area. Be aware that snowmaking and grooming may be in progress at any time. Always ski and ride in control.
11. Snowboarders must use a leash at all times on the hills and the lifts.
12. I agree to follow the directions given by the lift operators in correct loading and unloading procedures, including removing of pole straps when loading.
13. I understand there may be special events at Mt. Holiday that season passes are not valid for and I may incur an additional cost if participating.

### **Your Responsibility Code**

1. Always stay in control, and be able to stop or avoid other people or objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them.

3. You must not stop where you obstruct a trail, or are not visible from above.
4. Whenever starting downhill or merging into a trail, look uphill and yield to others.
5. Always use devices to help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely.
7. Mt. Holiday recommends that everyone wear a helmet. Know the code. It's your responsibility. This is a partial list—be safety conscious!  
**Michigan Ski Area Safety Act** of 1962 - 408.341. Ski lifts; conduct of skiers  
Please note that under M.C.L. 408.322(g), "Skier" includes anyone using our slopes for recreation, this includes snow tubing, walking, etc.  
(1) A skier shall conduct himself or herself within the limits of his or her individual ability and shall not act or ski in a manner that may contribute to his or her injury or to the injury of any other person. A skier shall be the sole judge of his or her ability to negotiate a track, trail, or slope.  
(2) While in a ski area, a skier or passenger shall not do any of the following:  
(a) Board a ski lift which has been designated as closed.  
(b) Willfully board or embark upon, or disembark from, a ski lift, except at an area designated for those purposes.  
(c) Intentionally drop, throw, or expel an object from a ski lift while riding on the lift.  
(d) Do any act which interferes with the running or operation of a ski lift, such as, but not limited to: swinging or bouncing on an aerial lift, attempting to contact supporting towers, machinery, guides, or guards while riding on a ski lift; or skiing out of the designated ski track on a surface lift or tow.  
(e) Use a ski lift, unless the skier or passenger has the ability to use the lift safely without instruction on use of the lift by a ski area owner, manager, operator, or employee, or unless the skier or passenger requests and receives instruction before entering the boarding area of the ski lift.  
(f) Use a ski lift or ski without properly engaging and using ski restraining devices, brakes, or restraining straps.
